

Make-A-Wish "At-A-Glance"

Why Help Make-A-Wish?

Hope is essential, especially for children with critical illnesses who are some of the most vulnerable among us. Children who are eligible for a wish are not necessarily terminal. Research shows that a wish can give a child the hope they need to fight their illness.

The majority of wish kids go on to manage, and even overcome, their illness.

How Can you Help?

Wishes are only possible because of the generous individual and corporate donations.

You can mention or link to **wish.org** to help your audience learn more and find out how to donate.

What's Make-A-Wish Doing?

Make-A-Wish grants more than 25 wishes every day for children with critical illnesses throughout the U.S. Make-A-Wish is pursuing new and creative ways to bring experiences of hope to wish kids today.

By the Numbers:

350,000 wishes granted since 1980

Last year, Make-A-Wish granted more than **9,500** wishes throughout the U.S. and its territories

Make-A-Wish has **59** chapters serving every community in the U.S.

More than **24,000** volunteers across the U.S.
